

**REMARKS**

Claims 1-3 have been amended. Claims 1-5 are pending in the application. A new title has been provided. Reexamination and reconsideration are respectfully requested.

Applicants gratefully acknowledge the indicated allowability of claims 1-5 subject to overcoming the indefiniteness rejection set forth in the Office Action as well as the formal objections with respect to the claims. Accordingly, Applicants have amended claims 1-3 to obviate the rejections/objections.

In particular, Applicants have adopted the Examiner's suggestions of referring to a "proficient setting mode" and a "beginning setting mode". Also, Applicants have deleted the term "preferentially" in claim 3. Regarding the objections, Applicants have amended claims 1 and 2 accordingly to delete the term "a" before the term "various" and to use the plural form "are" of the verb "is".

In view of the foregoing, Applicants submit claims 1-5 are now in condition for allowance. An early notice to that effect is solicited.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #3064IT/50953).

Respectfully submitted,
